## PERFORMANCE HIGHLIGHTS IN 2022

Most significant gains

- In 2022, WFP exceeded the requirements for nine indicators and met them for another four indicators.

- Significantly, WFP newly exceeded the requirements for the Gender architecure indicator.
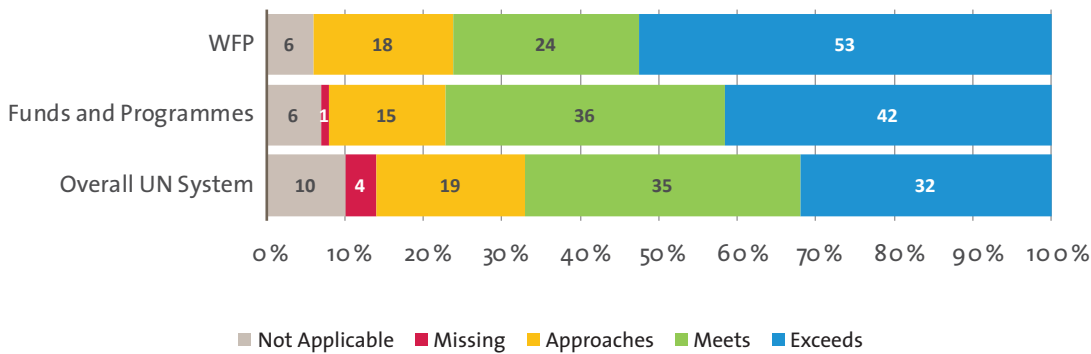

Areas for improvement

- UN Women encourages WFP to focus efforts on the three indicators that remain approaching requirements: Financial resource tracking, Financial resource allocation and Equal representation of women.

- WFP is urged to recapture lost progress related to the Organizational culture indicator.
