UN-SWAP 2.0 PERFORMANCE BY INDICATOR (2019-2020)

PERFORMANCE HIGHLIGHTS IN 2020

Most significant gains

- In 2020, DMSPC exceeded the requirements for nine indicators and met them for another four indicators.
- Commendably, DMSPC’s efforts in the area of capacity assessment raised the rating from missing requirements in 2019 to exceeding requirements in 2020.

Areas for improvement

- UN Women encourages DMSPC to reconsider the applicability of the Financial resource allocation indicator. The data collected under the financial resource tracking indicator will help inform an appropriate and ambitious financial target.

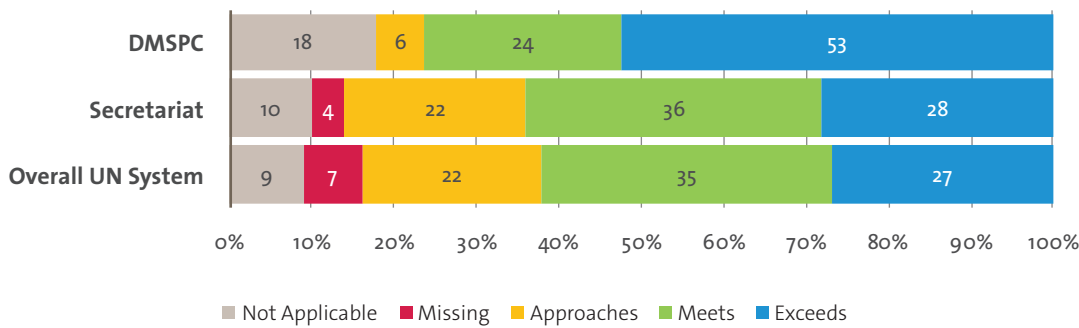

* Performance Indicators 5 on Audit and 8 on Gender-responsive performance management are jointly reported for all UN Secretariat entities by OIOS and DMSPC, respectively.
