

# UN WOMEN MANAGEMENT RESPONSE EXECUTIVE BOARD 2019

# INTRODUCTION

**Four interlinked sections  
highlighting our victim-centered approach:**

1. Policy and Governance
2. Prevention and Communication
3. Operationalization in the Field
4. Investigations

# POLICY AND GOVERNANCE

- Review policies and procedures
- Clarify roles and responsibilities

# PREVENTION AND COMMUNICATION

- Know your rights
- Focus on face-to-face and scenario-based training
- Maintain a victim-centered approach
- Reinforce accountability

# OPERATIONALIZATION AND CAPACITY BUILDING IN THE FIELD

- Ensure sufficient resources in the field
- Ensure local anchoring and coordination
- Develop local action plans
- Implementing partners

# INVESTIGATIONS

- Victim centered approach with ongoing communication on case progress
- Maintain confidentiality

# CONCLUSION

- 
- We are committed to open and transparent communication on the progress we make and the challenges we face
  - We are committed to exploring how to best prioritize resources to this area of work, and ensure a joined up, coherent approach with the UN Common System
