The interpreter or the guide provided by the delegation should be brought by the delegation to the Conference Officer’s desk 30 minutes prior to the delivery of the statement.

5. **Registration and hours of operation of the UN Pass and ID Office**

Registration of official delegations of Member States, observers and intergovernmental organizations, as well as specialized agencies and related organizations will be carried out by the Protocol and Liaison Service of the United Nations. To obtain UN grounds passes, permanent missions/offices are required to submit their registration requests by using the online eRegistration system, available through the e-deleGATE portal at [https://delegate.un.int](https://delegate.un.int), by the deadline of 26 February 2020. Delegations wishing to obtain information on the system may refer to the updated “Guidelines on eRegistration” and “Frequently asked questions” sections posted on the Protocol and Liaison Service website ([https://protocol.un.org](https://protocol.un.org)).

Additional information on registration for IGOs away from New York can be found at this link: [https://protocol.un.org/dgacm/pls/site.nsf/files/IGO/$FILE/Accreditation%20Guidelines%20for%20IGOs_REV6_%20Aug%202017.pdf](https://protocol.un.org/dgacm/pls/site.nsf/files/IGO/$FILE/Accreditation%20Guidelines%20for%20IGOs_REV6_%20Aug%202017.pdf)

Delegations are strongly encouraged to collect delegates’ grounds passes ahead of the session, as long lines and waiting periods must be expected, especially during the first two days of the session, at the UN Pass and ID Office. The UN Pass and ID Office, located at 320 East 45th Street, is open between 9:00 am and 4:00 pm, Monday through Friday. Extended opening hours will be in place during the first week of the session, as well as the weekend prior to the session (see below).

Representatives of non-governmental organizations in consultative status with ECOSOC who have been registered and approved by their organizations to attend may collect a UN grounds
pass at the UN Pass and ID Office in March 2020. Specifics regarding on-site check-in and issuance of grounds passes, such as location and opening hours, are provided through NGO advisories and on the NGO participation pages of the CSW website.

Invited speakers and panelists for the session will be registered separately by the CSW secretariat.

### 6. Access to the United Nations building

Participants may access UN Headquarters at the following points:

- **45th Street and First Avenue**: Delegates’ entrance (for VIP pass holders and government/observer delegates only)
- **46th Street and First Avenue**: Public entrance (NGOs, speakers/panelists with SETs, UN staff and all other delegates)

### 7. Venue and seating arrangements

The opening of CSW64 will take place on 9 March 2020, at 10.00 am, in the General Assembly Hall. Delegates and other participants are encouraged to be seated at 9.40 am. The formal opening will be preceded by a traditional ceremony and a musical performance, starting at 9.45 am. It is expected that Conference room 4 will serve as the overflow room for the opening meeting.

At the opening meeting, the fourth-floor balcony of the General Assembly Hall will be limited to NGO grounds pass holders with special event tickets.

The subsequent meetings of the Commission will be held in the following rooms:

- **9 March, 3.00 – 6.00 pm**: Conference room 4
- **10 March, 10.00 am to 1.00 pm and 3.00 to 6.00 pm**: General Assembly Hall
- **11 March to 20 March**: Conference room 4.
The seating of delegations in Conference room 4 will include: the 45 Member States of the Commission in alphabetical order starting at the right side of the first row; followed by Observer States and non-Member States.

UN system entities, intergovernmental organizations and other participants will be seated, space permitting, on the lower gallery to the right side of the room. NGO grounds pass holders with special event tickets will be seated on the fourth-floor balcony.

Capacity constraints in the General Assembly Hall and Conference room 4 and resulting safety considerations (i.e. overcrowding) may require restriction of access.

8. Access to the General Assembly Hall and second floor

During the first two days of the session, i.e. 9 and 10 March, access to the General Assembly Hall and to the second floor of the General Assembly and Conference Building will require a regular delegate’s pass and a secondary access card. The access cards are transferable strictly among members of a delegation only.

For that purpose, the Protocol and Liaison Service will proceed as follows:

(a) Every permanent mission will be issued six (6) “GA Hall secondary access cards” for access to the General Assembly Hall and eight (8) “second floor secondary access cards” for access to the second floor of the General Assembly and Conference Building.

NOTE: VIP pass holders (Cabinet Ministers and above) and Permanent Representatives have access to this area without secondary access cards at all times.

(b) Each intergovernmental organization will be issued two (2) “GA Hall secondary access cards” and two (2) “second floor secondary access cards” for access to the second floor of the General Assembly and Conference Building.

(c) Each specialized agency will receive one (1) “GA Hall secondary access card” and two (2) “second floor secondary access cards” for access to the second floor of the General Assembly and Conference Building.

These arrangements apply only for the first two days of the session, i.e. 9 and 10 March.

The above secondary access cards for 9 and 10 March 2020 will be distributed by the Protocol and Liaison Service starting 4 March through 6 March in the Protocol Office at Room S-0200 during Protocol office hours.

9. Side events, exhibition and information desk

Information regarding side events can be found on the meeting website https://www.unwomen.org/en/csw/csw64-2020 and the CSW64 mobile App. Information for organizers of side events is provided separately.
An exhibition “Generation Equality is you. Now” will be on display in the UN Visitors’ Lobby, from 5 March to 20 April 2020.

An information desk will be open in the UN Visitors’ Lobby from 9 to 18 March 2020.

The United Nations Accessibility Centre offers assistive information and communications technology to support those with auditory, visual or physical impairments. The assistive devices are available on-site or as a loan to participants with disabilities. The Accessibility Centre is located in the Conference Building (Level 1B) (by the Secretariat Building escalators). For more information, please visit https://www.un.org/accessibilitycentre/. A limited amount of printing on demand in Braille is available through the Accessibility Centre with prior notice.

For accessible seating in the meeting rooms, delegations and other participants should address their requests to the ECOSOC Affairs Branch (delia@un.org; stein-holmes@un.org), or the organizers of the side event, in advance of the meeting.

Communication Access Real Time Translation (CART) will be available via captions on the screen in the meeting room and via webcast for all official meetings of CSW64.

13. Visa and entry requirements

Each participant is personally responsible for obtaining necessary entry visa(s) for travel to and from the meeting venue. Participants should contact relevant United States of America embassies or consulates on visa requirements and obtain the appropriate entry permit where necessary as early as possible. An invitation letter issued by the United Nations has been sent to Member and Observer States (note verbale) and registered NGO representatives (confirmation email) which can be used to support visa applications.

Information regarding US visa can be found on this website: http://usembassy.state.gov/.

18. Healthcare and Medical services

Participants are responsible for making their own insurance arrangements, including life, health and other forms deemed appropriate. Basic medical support is available from 9:00 am to 5:00 pm weekdays at the United Nations Secretariat building (5th floor), although participants should note that the medical service is unable to provide prescriptions for lost or forgotten medications, contact lenses or spectacles. For emergencies participants should call local emergency services (telephone 911).

The current risk assessment for coronavirus in HQ New York is LOW, as the United States has put in place a range of screening and isolation measures that are likely to be very effective in limiting the outbreak from taking hold. Despite this, all participants are strongly advised to not attend the meeting and to call a healthcare practitioner if they become unwell or have any respiratory symptoms. Further guidance on preventing respiratory illness including coronavirus can be found on the World Health Organization website: https://www.who.int/emergencies/diseases/novel-coronavirus-2019
