Audit opinion issued by the UN Board of Auditors:

“In our opinion, the financial statements present fairly, in all material respects, the financial position of UN-Women as at 31 December 2015 and its financial performance and cash flows for the year then ended in accordance with IPSAS.”
Finding #1:
Delayed financial closure of projects in Atlas

UN-Women Response:

- Need to dedicate more staff capacity and automation
- Measures to address the issue:
  - Extensive trainings and updated project closure checklist
  - New dashboard tool
  - Month-end closure instructions
  - New regional offices & headquarters working group reviewing design of automated tool
Finding #2: Long-outstanding project advances

UN-Women Response:

- Significant reduction **2015 $5.2m vs 2014 $18.4m** for advances older than 7 months
- Measures to address the issue:
  - New automated aged partner advance reports live in April 2016
  - Due diligence policy on liquidation of unrecoverable advances
  - New corporate training of partners and recurrent training of staff
  - Revision of capacity assessment policies for partners
  - Monthly monitoring of County Office follow up actions by Regional Offices
  - New regional offices & headquarters working group to monitor liquidation of all advances > 7 months
Finding #2: Long-outstanding project advances

Findings #3:

Lack of awareness training on information security

UN-Women Response:

- 2015 Information security programme provided information security guidance through information circulars
- Measures to address the issue:
  - January 2016 contracted United Nations International Computing Centre (ICC) to create Information security awareness training
  - Training will be rolled out in October 2016
Implementation status for 2015 Audit recommendations since June 2016:

- Two recommendations already implemented
  - ICT Board membership and terms of reference updated
  - Information Security Awareness training program developed

- 15 recommendations under implementation
Prior Years’ Recommendations for 2012 to 2014

Prior years’ recommendation status:

- Under Implementation (12 recommendations): 63%
- Fully Implemented (6 recommendations): 32%
- Reiterated (1 recommendation): 5%
Implementation dates for all outstanding audit recommendations as at 31 August 2016
