CORPORATE EVALUATION OF UN-WOMEN’S CONTRIBUTION TO UN SYSTEM COORDINATION ON GENDER EQUALITY AND THE EMPOWERMENT OF WOMEN

MANAGEMENT RESPONSE
Strategic Recommendations

In a nutshell...

1. Continue to catalyze greater UN coherence on GEEW
2. Review its coordination strategy to bring greater focus on results
3. Align the coordination mandate with its resource base
Operational Recommendations

In a nutshell...

4. Guidance to staff on its coordination functions
5. Promote UN system accountability for GEEW
6. Strengthen coordination in key thematic areas
7. Model gender-responsive organization for the UN
8. Strengthen relevant coordination mechanisms at HQ and in the field
UN Women’s response to strategic recommendations

- Consolidating its role as catalyst for change, by utilizing its triple mandate in a fully integrated fashion
- Continue to leverage the UN system to ensure gender mainstreaming in key intergovernmental processes and outcomes
- Draw on the evaluation to inform the new strategic plan, and review its strategic approach to its coordination functions
- Leverage the Flagship Programme Initiatives as a key driver of coordination
UN Women’s response to operational recommendations

- Further clarify operational guidance for the implementation of its coordination role and functions
- Develop and roll out the next generation of UN-SWAP and the SWAP scorecard for UNCTs
- Enhance the coordination of gender responsive humanitarian action
- Mobilize relevant inter agency mechanisms to support the implementation of the SDGs in line with CEB common principles guiding the UN System
THANK YOU
