No country has achieved gender equality
Normative frameworks

• UN Women founding resolution by the GA 64/289

• The Strategic Plan supports the full, effective and accelerated implementation of the Beijing Platform for Action

• Also guided by CEDAW, ICPD PoA, UN Security Council resolutions and other applicable UN instruments and resolutions on gender equality and women’s empowerment
A vision towards 2030

• For the first time, an expiry date for gender equality has been set
• The Strategic Plan supports the gender-responsive implementation of the 2030 Agenda for Sustainable Development
• Achieving SDG 5 and ensuring that the entire Agenda delivers for women and girls
• Integration of SDG indicators in results framework

Each Strategic Plan outcome supports the achievement of several SDGs in a synergistic manner
5 priorities

- A comprehensive set of global norms and standards on gender equality and women’s empowerment is strengthened and implemented
- Women lead, participate and benefit equally from governance systems
- Women have income security, decent work and economic autonomy
- All women and girls live a life free from all forms of violence
- Women and girls contribute to and have greater influence in building sustainable peace and resilience and benefit equally from the prevention of natural disasters and conflicts and from humanitarian action
Cross-cutting guiding principles

• Comprehensive approach to gender equality
  • Areas are interlinked and progress in one area leverages achievements in another

• Leveraging mutual benefits between gender equality and women’s empowerment and sustainable development

• Human rights based approach and leaving no one behind
  • Reaching the furthest behind first by addressing inequalities and discrimination and meaningfully involving beneficiaries

• National ownership and leadership and focus on capacity development

• Universality
  • Providing support to all Member States upon request

• Leveraging composite nature of UN Women
UN Women’s added value

Comparative advantages:
- Ability to link global and national policy development
- Largest pool of expertise in gender equality and women’s empowerment in the UN
- Longstanding relationship with women’s organizations
- Comprehensive and integrated contribution around the three pillars of the UN

Unique capacity to:
- Support the strengthening of norms and standards (normative support)
- Promote more effective coordination, coherence and gender mainstreaming (UN Coordination)
- Support for translation of global norms and standards into results for women and girls (operational activities)

Collaborative advantage:
- Achieving UN Women’s mandate through partnerships which leverage the strengths and mandates of partners
- Playing a catalytic role
- Fosters results in UN Women’s priority areas but also partners’ results
UN Women’s triple mandate

- UN-Women’s normative support functions cover the entire spectrum of the gender equality agenda.
- UN-Women plays a leading operational role in only a few targeted priority thematic areas.
- UN-Women’s impact reaches beyond these areas through its UN system coordination mandate and through partnerships.
Drivers of change and institutional enablers

- UN coordination
  - Accountability (UN-SWAP, Gender Scorecard)
  - Gender mainstreaming in UNDAFs
  - Gender parity

- Increased engagement of partners
  - Traditional and new partners

- High quality programmes
  - Innovation and technology
  - South-South cooperation

- Improved management of resources in pursuit of results
