UN WOMEN MANAGEMENT RESPONSE EXECUTIVE BOARD 2019
INTRODUCTION

Four interlinked sections highlighting our victim-centered approach:

1. Policy and Governance
2. Prevention and Communication
3. Operationalization in the Field
4. Investigations
• Review policies and procedures
• Clarify roles and responsibilities
• Know your rights
• Focus on face-to-face and scenario-based training
• Maintain a victim-centered approach
• Reinforce accountability
OPERATIONALIZATION AND CAPACITY BUILDING IN THE FIELD

- Ensure sufficient resources in the field
- Ensure local anchoring and coordination
- Develop local action plans
- Implementing partners
• Victim centered approach with ongoing communication on case progress
• Maintain confidentiality
• We are committed to open and transparent communication on the progress we make and the challenges we face

• We are committed to exploring how to best prioritize resources to this area of work, and ensure a joined up, coherent approach with the UN Common System
