Established in 2012, to execute mandate- lead coordinate and promote accountability of the UN system in its work on gender equality and empowerment of women.

Works both at Corporate and UNCT level through Gender Theme Groups.

Three major areas that the division coordinates and engages with:

- Accountability for Gender Mainstreaming at the Corporate Level/ into the functions of UN System entities
- Accountability for Gender Mainstreaming at the Country Level/ into the functions of the UNCTs
- Gender Mainstreaming into substantive themes, including the empowerment of women and girls living with disabilities, through participation in system-wide forums and inter-governmental processes
Accountability for Gender Mainstreaming at the Corporate Level

Strategic Leadership & Management (Capacity building, guidance and training)
• Advance corporate accountability for GEEW across UN System at all levels;
• Lead development and roll out of second generation UN-SWAP and UNCT-SWAP Scorecard;
• Provide advisory & technical support to institutional-stakeholders, including on gender policy development;

Knowledge management (and communications)
• Develop communication & knowledge products;
• Ensure integration of UN-SWAP language in parliamentary documentation.

Monitoring & Reporting on Accountability for GEEW at the UN system entity level
• Collect and analyze system-wide data;
• Lead preparation of annual reports to agencies;
• Prepare annual SG report on UN-SWAP to ECOSOC.
• Support the development of other gender results-based management & accountability frameworks;

Engaging in Coordination Mechanisms
• Strengthen UN-SWAP/UNCT-SWAP network;
• Convene trainings and inter-agency workshops.
• Strengthen implementation of financial tracking mechanisms (gender markers) as per recommendations of the S-G HLTF on Financing for Gender Equality

Other
• Direct advocacy and resource mobilization with Member States and donors
Accountability for Gender Mainstreaming at the UNCT Level
