Update on the implementation of General Assembly Resolution 72/279

Presentation to the Executive Board Informal
15 June 2020
UN-Women’s vision for UN reform

- **Reform that truly leaves no-one behind** - gender equality and empowerment of all women and girls at the center of joint frameworks, structures and processes.

- **Reform that supports a strong normative agenda** and promotes inclusive participation of key stakeholders in policy making.

- **Reform that enables smaller UN entities, such as UN-Women**, to enhance development effectiveness through streamlining business processes and optimizing field presence.
UN reform and changing the way UN-Women operate

- Engagement in all relevant inter-agency mechanisms and UNSDG working groups, and key processes to ensure a strong integration of gender perspectives, as well as with the UN Development Cooperation Office.
- Optimizing the Entity’s ability to deliver through its internal Change process, including the right-sizing of field presence and better leveraging UN Country Teams, particularly where UN-Women is non-resident.
- Improving financial reporting and transparency – the Funding Compact and financial data cube.
- Supporting the new UN Resident Coordinator System, including implementation of 1% Levy and supporting the pool of RCs.
- Implementing provisions of country level chapter of Management Accountability Framework, including dual reporting line of Country Representatives.
