UN-SWAP 2.0 PERFORMANCE BY INDICATOR (2020-2021)

PERFORMANCE HIGHLIGHTS IN 2021

Most significant gains

- In 2021, UNOV/UNODC exceeded the requirements for eleven indicators and met them for another two indicators.
- UNOV/UNODC has made significant progress in several areas, newly exceeding requirements for Strategic Planning and Reporting on gender related SDG results, Evaluation, Gender-responsive performance management and Organizational culture.

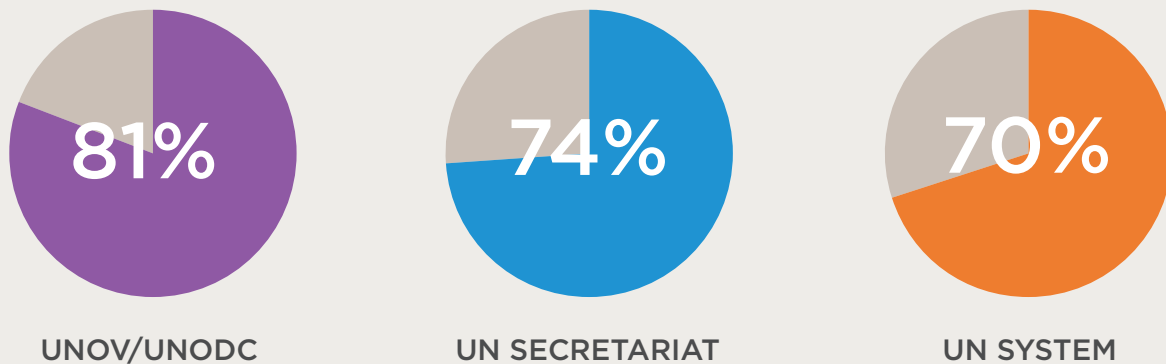

Areas for improvement

- Three indicators remain as approaching requirements: Financial resource tracking and allocation, as well as the Equal representation of women. Focusing on these three areas will position UNOV/UNODC for full compliance during the current UN-SWAP implementation period.

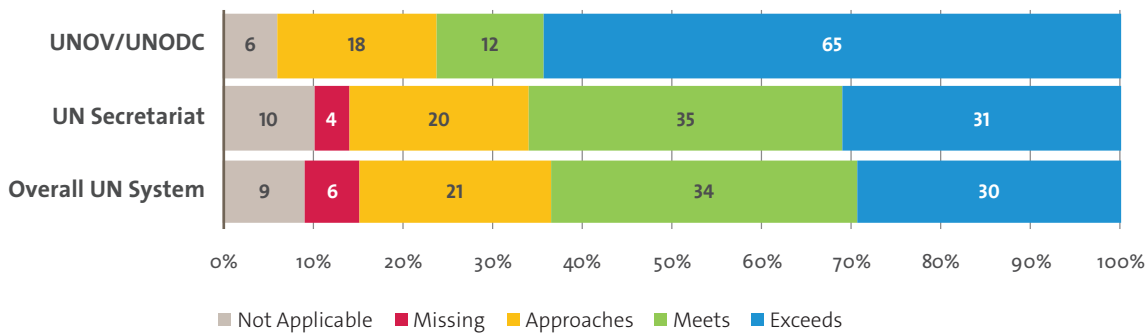

* Performance Indicator 5 on Audit is jointly reported for all UN Secretariat entities by OIOS.
