

UN WOMEN

Kenya Country

Office

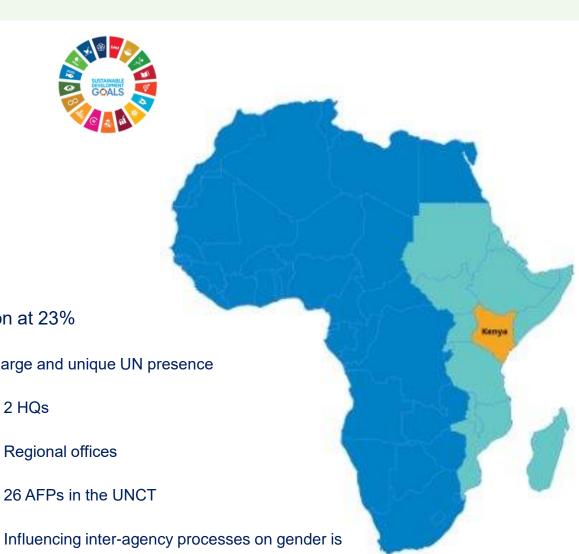

Kenya at a glance

- Lower MIC & third largest economy in Africa
- Politically stable in a region largely affected by conflict
- Prolonged drought with over 6.4 million food insecure
- Host to 588,724 refugees from neighboring Somalia, Ethiopia and DRC
- Development context, incorporating humanitarian and peace programming
- Persistently lowest level of women's representation in Parliament in the region at 23%
- Social tolerance of GBV still high, including IPV, FGM, child marriage
- Large and unique UN presence
- 2 HQs
- 26 AFPs in the UNCT
- Influencing inter-agency processes on gender is competitive

UN Women Positioning & Influencing on:

Our Influence in the UNCT

- •Strong positioning of GE in the UNSDCF through robust Gender Analysis in the CCA
- UNCT Gender Scorecard as spring-board for collective performance & accountability on GEWE
- Gender parity at UNON-WLN initiative in partnership with DG of UNON
- Joint advocacy on GEF, peaceful elections & gender quotas
- Currently participating in 16/17 JPs

Our relationships with Gov't

- Robust relationship with GoK on GEWE
- •GEF Commitments maker on GBV & AC co-leader
- Parliament on the reform of discriminatory laws
- Ministry of Finance on GRB
- Judiciary & Police on WA2J
- County governments on women's access to services
- •KNBS- on gender statistics
