FINANCING UN WOMEN’S GENDER EQUALITY AND WOMEN’S EMPOWERMENT MANDATE

EXECUTIVE BOARD SECOND REGULAR SESSION
STRUCTURED DIALOGUE ON FINANCING
12 SEPTEMBER 2023
UN WOMEN IN THE FINANCING ENVIRONMENT 2022

STRENGTHS
Adequately funded, the UNDS is an unparalleled multilateral platform to advance reform and the SDGs.

WEAKNESSES
Growing pressure on ODA and increased earmarked funding compounds an already challenging funding landscape for UNDS.

Funding Compact 2.0 offers an opportunity for ambitious, measurable indicators and stronger accountability and commitment from Member States and UNDS

Creeping financing emergency with declining core and over reliance on project-based funding that risks fundamentally changing the character of UNDS entities.

2022 STRATEGIC PLAN INVESTMENT RESULTS

Ending VAW

868 public and private partners supported across 41 countries to strengthen the provision of EVAW essential goods and services, with UN-Women supported platforms providing 2.8+ million women and girls access to EVAW services in 20 countries.

Governance & Participation

157 laws & policies were amended, adopted or implemented to advance gender equality in 6 regions; and +86,000 women and girls strengthened leadership capacities to participate in public life.

Peace & Security, Humanitarian

+800,000 women and girls in crisis settings received services and information; 1,330 women’s organizations supported to participate in refugee and humanitarian coordination; disaster resilience work in 61 countries.

Economic Empowerment

26 countries tackled financing for care infrastructure and services, facilitating women’s paid employment; 15 national social protection systems built that are gender-responsive and reduce gender gaps.
