UPDATE ON THE IMPLEMENTATION OF GENERAL ASSEMBLY RESOLUTION 72/279

INFORMAL BRIEFING
21 MAY 2024

APARNA MEHROTRA, DIRECTOR
UN SYSTEM COORDINATION DIVISION
UN-WOMEN 2023 SURVEY ON UNDS REFORM

• Country level survey: followed example of other funds and programmes
• 48 questions
• Conducted July to September 2023
• 91% response rate
• Mostly positive perception regarding the benefits from the UNDS reform
2023 SURVEY: UN REFORM - PERCEPTIONS

- Independent RC system beneficial
- RC – UNCT Accountability enhanced
- Strengthened support of the RC to UN Women’s triple mandate and thematic areas of work
- Cooperation Framework, a useful tool to achieve greater coherence
- Integrated policy support/collaboration in the humanitarian-development-peace nexus

Has your office experienced any of the following from Common Business Operations since the UNDS reform?

- Efficiency Gains: 15% No, 85% Yes
- Saved Money or Avoided Costs: 21% No, 79% Yes
- Savings Used for Programming: 32% No, 68% Yes

- Overall efficiency gains and savings
- Access to pooled UN funding: 64% from Multi Partner Trust Fund and 55% from Peace Building Fund
2023 SURVEY (CONT.)

- Competition for resources remains a challenge
- Quality and timeliness of common services unchanged
- Transaction costs not necessarily decreased
- Multi-Country Offices face unique challenges
- UN WOMEN support gender mainstreaming in pool funds (MPTF, SDG funds and PBF...etc)
SUPPORTING CONSOLIDATION OF UNDS REFORMS

- MAF and UNSDCF alignment
- BOS 2.0 harmonizing business practices
- Global shared services
- Funding the RC system
- Mobility and flexible workforce

SUPPORTING CONSOLIDATION OF UNDS REFORMS (cont.)

- Actively engaged in the United Nations Sustainable Development Group
- Strengthened UN gender equality accountability
- Leading UN gender coordination networks and theme groups
- Gender parity in the UN system
SUPPORTING CONSOLIDATION OF UNDS REFORMS (cont.)

Joint Programming:

• 44% of all JPs focused on SDG 5 and gender equality
• 30% of UN-Women´s expenditure
• Spotlight Initiative: 70% of technical role; $86 million to women/gender organizations

System-wide reporting, evaluation, research and capacity building:

• Supporting the uptake of the UNSDG's Output Indicator Framework
• “Annual Progress on the Sustainable Development Goals: The Gender Snapshot Report”
• 50,967 UN personnel enrolled in UN-Women’s I Know Gender online course
UN-WOMEN REGIONAL AND COUNTRY EXAMPLES

UN-Women Regional Director from Americas and the Caribbean, María Noel Vaeza, on UN-Women engagement in regional repositioning processes.

UN-Women Representative from Multi Country Office in the Pacific, Delphine Serumaga, on UN-Women’s engagement in repositioning at the country level.
UNDS REPOSITIONING

María Noel Vaeza, Regional Director from Americas and the Caribbean

Regional Office for the Americas and the Caribbean
UN Women's Coordination efforts in LAC, aim

To leverage, within the UN System, comprehensive drivers of change that accelerate the achievement of gender equality

- Programmatic efficiency for transformative changes in the lives of women and girls (joint programs)
- Tracking financial investment in GEWE in Joint Work Plans (gender markers)
- Advocacy
  - Knowledge management
  - Communication
  - Leadership/Dialogue
  - Technical support
  - Program implementation
- Regional Collaborative Platform and Issued-Based Coalitions
- Gender mainstreaming into UN planning and programming (cooperation frameworks and Country Assessments)
- UNCTs’ capacity-building in gender-related areas, including Gender Interagency Groups
- Joint UN advocacy in intergovernmental fora
KEY HIGHLIGHTS 2023

Regional Collaborative Platform and Issued-Based Coalitions

• UN Women leads the Regional Gender Theme Group (co-chaired with PAHO) and is now chair of the new Thematic Group on Populations Left Behind and the new Evaluation Working Group

• 3 IBCs addressed gender mainstreaming in priority areas: Climate Change and Resilience; Governance for Peace, Justice and Strong Institutions; Populations Left Behind.

• Led by UN-Women, the Regional GTG:
  o Developed the first Regional Gender Equality Profile among 15 AFPs, published on March 8, 2024.
  o Contributed to the implementation framework for the standards and procedures for GTGs, sharing good practices
  o Interagency advocacy campaigns reached a potential of 322 users

Gender mainstreaming in to UN planning and programming

• 6 UNCTS prioritized gender equality in their CCA and UNSDCF, mainstreaming it in their outcomes

Chile stands out for being the first country in the region to incorporate Gender Equality as one of the four main pillars of its Cooperation Framework

Ecuador Country Gender Equality Profiles stands out in 2023 for being an interagency effort.

• 3 UN-Women country offices developed new Strategic Notes aligned to UNSDCFs, incorporating gender-responsive interventions and targeted results on youth and gender equality
KEY HIGHLIGHTS 2023

- UNCTs’ capacity-building in gender-related areas, including GTG

- Tracking financial investment in GEWE in Joint Work Plans (gender markers)

- 4 UNCTs strengthened their gender equality mainstreaming and accountability following UNCT-gender marker and SWAP trainings.

- 9 UNCT-SWAP Comprehensive reports were submitted, demonstrating regional commitment towards GEWE.

- UNCTs have also received key messages to counter react and communicate effectively on gender equality towards misinformation and anti-rights groups.

- 97.4% of the Joint Work Plans in the region have applied gender markers
  - 60% of activities in Joint UN Work Plans aim to have transformative potential on gender equality or integrate gender mainstreaming as a key priority.
Delphine Serumaga, UN-Women Representative from Multi Country Office in the Pacific
UN WOMEN FIJI MULTICOUNTRY OFFICE
