Page 2: Part 1: Country information

Q1

Please enter the name of the country on behalf of which you are submitting a national report:

TBC final kuwait

Q2

Please enter the name and institution of the national focal point who is submitting the report:

Name	Bashar Almowaizri
Institution	MOFA

Q3

Please enter the email address of the national focal point who is submitting the report. This person might be asked to validate the submitted information:

b.almuwaizri@mofa.gov.kw

Page 3: Part 2: Priorities, achievements, challenges and setbacks

Q4

Over the past five years, which of the following have been the top five priorities for accelerating progress for women and girls in your country through laws, policies and/or programmes? (Please check a maximum of five boxes)

Equality and non-discrimination under the law and access to justice

,

Quality education, training and life-long learning for women and girls

,

Poverty eradication, agricultural productivity and food security

,

Eliminating violence against women and girls,

Women's entrepreneurship and women's enterprises

Q5

Over the past five years, have you taken specific measures to prevent discrimination and promote the rights of marginalized groups of women and girls? (please check relevant categories)

Women and girls with disabilities,

Younger women,

Older women

Q6

Over the past five years, which of the following crises have affected the implementation of the BPfA in your country? (please check relevant categories)

COVID-19 and other pandemics

Q7

Over the next five years, which of the following does your country consider to be the top five priorities for accelerating progress for women and girls in your country through laws, policies and programmes? (Please check a maximum of five boxes)

Access to affordable quality health care, including sexual and reproductive health and reproductive rights

,

Political participation and representation,

Right to work and rights at work (e.g. gender pay gap, occupational segregation, career progression, job creation)

,

Unpaid care and domestic work / work-family conciliation (e.g. paid maternity, paternity or parental leave, care services)

,

Changing discriminatory social norms and gender stereotypes

Q8

Over the past five years, what actions has your country taken to advance gender equality in relation to women's role in paid work and employment? (please check relevant categories)

Strengthened / enforced laws and workplace policies and practices that prohibit discrimination in the recruitment, retention and promotion of women in the public and private sectors, and equal pay legislation

Introduced / strengthened gender-responsive job creation and active labour market policies (e.g. education and training, skills, subsidies)

Devised mechanisms for women's equal participation in economic decision-making bodies (e.g. in ministries of trade and finance, central banks, national economic commissions)

Q9

In the past five years, what actions has your country taken to recognize, reduce and/or redistribute unpaid care and domestic work and promote work-life and family conciliation? (please check relevant categories)

Expanded childcare services or made existing services more affordable

Expanded support for older persons, persons with disabilities and others needing intense forms of care

Q10

In the past five years, what actions has your country taken to reduce the gender digital divide? (please check relevant categories)

None of the above

Q11

Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

No

Q12

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

Not applicable

Q13

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

Promoted poor women's access to decent work through active labour market policies (e.g. job training, skills, employment subsidies, etc.) and targeted measures

,
Broadened access to land, housing, finance, technology and/or agricultural extension services

,
Supported women's entrepreneurship, access to markets, and business development activities

,
Introduced or strengthened social protection programmes for women and girls (e.g. cash transfers for women with children, public works/employment guarantee schemes for women of working-age, pensions for older women)

Q14

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)

,
Improved access to social protection for other groups of marginalized women (please refer to groups listed in Part Two: Priorities, achievements, challenges, and setbacks)

Q15

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

The social protection response to the pandemic spurred gender-responsive innovations, but measures were mainly short-term.

Q16

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

Promoted women's access to health services through expansion of universal health coverage or public health services

Q17

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

Taken measures to increase girls' access to, retention in and completion of education, technical and vocational education and training (TVET) and skills development programmes

Page 6: Freedom from violence, stigma and stereotypes

Q18

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

Intimate partner violence, including sexual violence and marital rape

,

Domestic violence committed by other family or household members

Q19

Over the past five years, what actions has your country prioritized to address gender-based violence?

Introduced or strengthened violence against women laws, and their enforcement and implementation

,

Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)

,

Introduced or strengthened measures for improving the understanding of the extent, causes and consequences of violence against women among those responsible for implementing measures on ending violence against women and girls, including through the collection and use of data from different sources

Q20

In the past five years, what strategies has your country used to prevent gender-based violence?

Create safe environments including schools, workplaces, and public spaces

Q21

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

None of the above

Q22

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

None of the above

Q23**None of the above**

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

Page 7: Participation, accountability and gender-responsive institutions

Q24**None of the above**

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

Q25**None of the above**

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

Q26**Respondent skipped this question**

What is the name of your country's current national machinery for gender equality and the empowerment of women?

Q27**Not applicable**

What is the national women's machinery's current location within government? (please select one of the following options)

Q28**Yes**

Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

Q29

The budget of the national women's machinery has increased (as a proportion of overall government spending)

Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

Not applicable

Q30

How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes:

The total number of program is included in the report

Full name of programmes:

The full name of all programmes is included in the report

Q31

Protecting the families, women and children

What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)

Q32

Yes

Is there a national human rights institution in your country?

Q33

Not applicable

Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

Page 8: Peaceful and inclusive societies

Q34

None of the above

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

Q35

None of the above

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

Q36

None of the above

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

Q37**None of the above**

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

Page 9: Environmental conservation, protection and rehabilitation

Q38**None of the above**

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

Q39**None of the above**

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

Page 10: Part Four: National institutions and processes

Q40**Yes**

Does your country have a valid national strategy or action plan for gender equality?

Q41**Yes**

Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?

Q42**No**

Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Q43**Yes**

As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Q44

Yes

Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?

Q45

Yes

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?

Q46

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?

Civil society organizations,
Women's rights organizations,
Academia and think tanks,
Parliaments/parliamentary committees,
Private sector,
United Nations system

Q47

Yes

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?

Q48

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

Civil society organizations,
Women's rights organizations,
Academia and think tanks,
Parliaments/parliamentary committees,
Private sector,
United Nations system

Q49

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

Committee on the Elimination of Discrimination against Women
 ,
Universal Periodic Review,
Other United Nations Human Rights mechanisms that address gender inequality/discrimination against women

Page 11: Part Five: Data and Statistics

Q50

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

Promulgated laws, regulations, or statistical programme/strategy setting out the development of gender statistics

Engaged in capacity building to strengthen the use of gender statistics (e.g., trainings, statistical appreciation seminars)

Q51

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

Design of laws, regulations, or statistical programme/strategy promoting the development of gender statistics

Statistical capacity building of users to increase statistical appreciation on and use of gender statistics (e.g., trainings, statistical appreciation seminars)

Q52

Have you defined a national set of indicators for monitoring progress on the SDGs?

Yes

Q53

How many indicators does it include and how many of those are gender-specific?

Number of indicators	9
Number of gender-specific indicators	1

Q54

Has data collection and compilation on gender-specific indicators begun?

Yes

Q55

Which of the following disaggregations is routinely provided by major surveys in your country?

Geographic location,
Education
