#### **Background**

Presentation and discussion of the advanced findings from UN-Women's ongoing assessment of the operationalization of the CSW68 Agreed Conclusions. The assessment focuses on how the organization is translating global commitments into actionable initiatives across its operations. The findings explore emerging trends, challenges, and good practices, alongside the strategic guidance UN-Women provides to country offices to enhance alignment between the CSW68 priorities and its interventions, driving tangible progress toward gender equality and women's empowerment.
