## Women Peace and Security

### Theme:

Empowered Women, Peaceful Communities:

Securing the Peace Off and Online: Engaging Women in Preventing Terrorism and Hate Speech

### Bangladesh

#### I. Introduction

##### a. Background

UN Women, grounded in the vision of equality enshrined in the Charter of the United Nations, works for the elimination of discrimination against women and girls; the empowerment of women; and the achievement of equality between women and men as partners and beneficiaries of development, human rights, humanitarian action and peace and security. Placing women's rights at the centre of all its efforts, the UN Women leads and coordinate United Nations system efforts to ensure that commitments on gender equality and gender mainstreaming translate into action throughout the world. It provides strong and coherent leadership in support of Member States' priorities and efforts, building effective partnerships with civil society and other relevant actors.

Building on 20 years of experience in the area of women, peace and security (WPS), including conflict prevention and resolution, peacebuilding, security sector reform and access to justice, UN Women has been working to ensure a gender sensitive and gender responsive approach to understanding and preventing violent extremism (PVE) at the regional level. UN Women's approach to preventing radicalization and violent extremism is firmly based on the empowerment of women to build resilient, cohesive and peaceful communities – with particular attention to those that are most marginalized and in particularly vulnerable situations. UN Women is integrating this focus on prevention of violent extremism with its ongoing women, peace and security priorities including conflict prevention, peacebuilding and National Action Plan on Women, Peace and Security (NAP WPS). Please consult our webpage for more information on our work in this area. <http://asiapacific.unwomen.org/en/focus-areas/peace-and-security/preventing-violent-extremism>

##### b. General overview of services required/results

Since 2017, UN Women has been implementing the regional programme “Empowered Women, Peaceful Communities” to prevent violent extremism and advance the Women Peace and Security agenda by promoting women's rights, empowerment, participation and leadership— both at the community level as well as in national decision-making. UN Women Bangladesh has supported the formulation of Bangladesh's NAP WPS, which has been launched in 2019 under the leadership of Ministry of Foreign Affairs (MOFA). This plan was crafted by listening to the voices, needs, and experiences of diverse women from all over Bangladesh, and it takes into account the last 20 years of hard work and lobbying by women's organizations all over the country who demanded a seat at the table and a say in their own security. This consultative process covered 21 districts in seven divisions in order to identify women's needs and experiences related to the WPS agenda at the grassroots level. The recommendations from these consultations became the backdrop of formulating the NAP WPS and putting women at the centre of the peace and security agenda in Bangladesh.

The NAP WPS is the key tool through which to transform UN Security Resolution 1325 and other women, peace and security commitments into practical action within and beyond the borders, and

it must be implemented and monitored with an inter-ministerial effort through an effective coordination mechanism. The progress of the NAP will be analysed on an annual basis by the administrations concerned, under the direction of a Coordination Group for NAP WPS led by MOFA. In addition to governmental actors, multiple stakeholders play important roles in monitoring and evaluation, sharing their invaluable expertise and vision for a more peaceful and equal society. Therefore, it is imperative to create and maintain a strong multi-stakeholder partnership throughout the life of the NAP. For this reason, the NAP WPS has committed to supporting the establishment of a Consultative Platform of civil society organizations (CSOs), including representatives of supporting agencies, academics and relevant resource persons, as a mechanism to enable CSO participation in the monitoring, reporting and evaluation of NAP WPS implementation.

In this context, the Call for Proposal is prepared to identify a CSO partner (“Responsible Party”) to work with UN Women to implement the activities and contribute to the output under the programme as detailed below.

## II. Description of required services/results

### **Important note:**

- In view of the recent global outbreak of the COVID-19, the proposal should consider restrictions caused by the COVID-19 in the design, implementation and monitoring and reporting of the activities. Leveraging the online spaces and tools including social media is encouraged in the context of social distancing due to COVID-19 pandemic.
- The activities described below are broad activities that should be broken down into expected results and sub activities in the proposal.

Technical evaluators who are members of an Evaluation Committee appointed by UNWOMEN will carry out the technical evaluation applying the evaluation criteria and point ratings as listed below. In order to advance beyond Phase I of the detailed evaluation process to Phase II (financial evaluation) a proposal must have achieved a minimum cumulative technical score of 50 points.

1	Proposal is compliant with the Call for Proposal (CfP) requirements	15 points
2	The Organization’s mandate is relevant to the work to be undertaken in the TORs ( <b>component 1</b> )	20 points
3	The Proposal demonstrates a sound understanding of the requirements of the TOR and indicates that the organization has the prerequisite capacity to undertake the work successfully ( <b>components 2, 3 and 4</b> )	35 points
	<b>TOTAL</b>	70 points

**11.2 PHASE II - FINANCIAL PROPOSAL (30 points)**

Financial proposals will be evaluated following completion of the technical evaluation. The proponent with the lowest evaluated cost will be awarded 30 points. Other financial proposals will receive pro-rated points based on the relationship of the proponents’ prices to that of the lowest evaluated cost.

Formula for computing points:  
Points = (A/B) Financial Points

Example: Proponent A’s price is the lowest at \$10.00. Proponent A receives 30 points. Proponent B’s price is \$20.00. Proponent B receives (\$10.00/\$20.00) x 30 points = 15 points

**12. Preparation of proposal**

12.1 You are expected to examine all terms and instructions included in the CFP documents.

Failure to provide all requested information will be at proponent’s own risk and may result in rejection of proponent’s proposal.

The terms “proponent” and “contractor” refer to those organizations that submit a proposal pursuant to this CFP.

12.3 Where the proponent is presented with a requirement or asked to use a specific approach, the proponent must not only state its acceptance, but also describe, where appropriate, how it intends to comply. Failure to provide an answer to an

item will be considered an acceptance of the item. Where a descriptive response is requested, failure to provide the same will be viewed as non-responsive.

12.4 The terms of reference in this document provides a general overview of the current operation. If the proponent wishes to propose alternatives or equivalents, the proponent must demonstrate that any such proposed change is equivalent or superior to UNWOMEN established requirements. Acceptance of such changes is at the sole discretion of UNWOMEN.

12.6 Proponent's proposal shall include all of the following labelled annexes:

**CFP submission** (on or before proposal due date):

As a minimum, proponents shall complete and return the below listed documents (Annexes to this CFP) **as an integral part of their proposal**. Proponents may add additional documentation to their proposals as they deem appropriate.

Failure to complete and return the below listed documents as part of the proposal may result in proposal rejection.

Part of proposal	<b>Annex B-2</b> Template for proposal submission
Part of proposal	<b>Annex B-3</b> Format of resume for proposed staff
Part of proposal	<b>Annex B-4</b> Capacity Assessment minimum Documents

12.7 If after assessing this opportunity you have made the determination not to submit your proposal, we would appreciate it if you could return this form indicating your reasons for non-participation.

**13 Format and signing of proposal**

UNWOMEN reserves the right to conduct negotiations with the proponent regarding the contents of their proposal. The award will be in effect only after acceptance by the selected proponent of the terms and conditions and the terms of reference. **The agreement will reflect the name of the proponent whose financials were provided in response to this CFP.** Upon execution of agreement UNWOMEN will promptly notify the unsuccessful proponents.

14.2 The selected proponent is expected to commence providing services as of the date and time stipulated in this CFP.

The development and management of a realistic budget is an important part of developing and implementing successful activities. Careful attention to issues of financial management and integrity will enhance the effectiveness and impact. The following important principles should be kept in mind in preparing a project budget:

- Include costs which relate to efficiently carrying out the activities and producing the results which are set forth in the proposal. Other associated costs should be funded from other sources.

- The budget should be realistic. Find out what planned activities will actually cost, and do not assume that would cost less.
- The budget should include all costs associated with managing and administering the activity or results, particularly include the cost of monitoring and evaluation.
- The budget could include “Support Costs”: those indirect costs that are incurred to operate the Partner as a whole or a segment thereof and that cannot be easily connected or traced to implementation of the Work, i.e., operating expenses, over-head costs and general costs connected to the normal functioning of an organization/business, such as cost for support staff, office space and equipment that are not Direct Costs.
- “Support Cost Rate” means the flat rate at which the Partner will be reimbursed by UN Women for its Support Costs, as set forth in the Partner Project Document and not exceeding a rate of 8% or the rate set forth in the Donor Specific Conditions, if that is lower. The flat rate is calculated on the eligible Direct Costs.
- The budget line items are general categories intended to assist in thinking through where money will be spent. If a planned expenditure does not appear to fit in any of the standard line item categories, list the item under other costs, and state what the money is to be used for.
- The figures contained in the Budget Sheet should agree with those on the proposal header and text.
