

Impact Champions

IMPACT 10x10x10 engages key decision makers in governments, corporations, and universities around the world to drive change from the top. IMPACT Champions make gender equality an institutional priority by implementing the HeForShe IMPACT framework and developing three bold, game-changing commitments to advance and achieve gender equality for all.

These leaders are committed to changing the world.

HeForShe

Thematic Champions

Thematic Champions are designated a focus area and actively leverage their unique resources, networks and specialized skills to drive for the concrete change that is fundamental to gender equality.

These leaders are committed to changing the world.

GILES YORK

Chief Constable, Sussex Police

Reach parity at senior leadership by 2020.

EMMANUEL FABER

Global CEO, Danone

Implement an 18 weeks gender-neutral paid parental leave policy for Danone's 100,000 global workforce.

DR. JIM YONG KIM

President, The World Bank Group

Reach parity at senior leadership across the World Bank Group by 2020.

JEAN-LAURENT BONNAFÉ

Global CEO, BNP Paribas

BNP Paribas is committed to increase gender mix in the traditionally male or female-dominated professions within the banking industry.

BRUCE CLEAVER

CEO, De Beers Group

De Beers has committed to accelerate the advancement of women across its organisation, in its diamond producing countries and through its marketing campaigns.

JUSTIN TRUDEAU

Prime Minister, Canada

Together with Canada's Parliamentary Secretary for Status of Women, engage young Canadians on the role that young men and boys can play in ending gender inequality across the country by: a) challenging this generation to be the last to face gender inequality and b) by more than doubling the number of HeForShe commitments in Canada.

CHRISTOPHER M. CRANE

Ceo & President, Exelon Corp.

We want to foster an environment where the best and the brightest, as well as future generations – both girls and boys - feel empowered to pursue careers with limitless opportunity.

HeForShe
