WOMEN  
-----  
GENERATION EQUALITY

# Policy, Programme & Intergovernmental Division

*Executive Board Orientation  
3 March 2021*

# PPID Operates within a Global Context

## Opportunities

- Growing visibility of women leaders, focus on women's leadership at CSW 65
- Increasing awareness of how gender equality can lead to more effective policies for all
- Increasing international commitment (and financing) to meet SDG goals (SDG-5)
- More attention given to addressing different forms of VAW globally
- Strong commitment to WPS through NAPs, normative framework, IEG mechanism, etc.
- Increased demands for gender data and research to address the impact of COVID-19 and inform the global response
- Increased recognition as global technical expert on engendering fiscal stimulus
- Increasing opportunities to leverage technology and innovation to deliver results at scale across operational work
- Deep experience as a grant-maker

# Policy Programme Intergovernmental Division: Architecture

3

Policy

Programme

Intergovernmental

- **Leadership & Governance:**
    - Increase women's leadership and participation in political processes
    - Ensure that national plans and budgets are gender-responsive
    - Promote the production of data and statistics to track progress on gender equality
    - Confirm that justice institutions are accessible and deliver for all women
  - **Economic Empowerment:**
    - Promote decent work and social protection for women
    - Increase women's ownership and management of small, medium and large enterprises
    - Enhance rural women's access, control and use of productive resources
  - **Ending Violence Against Women:**
    - Increase its focus on prevention and the delivery of quality services to victims and survivors
    - Ensure that more cities and other settings have safe and empowering public spaces for women and girls
  - **Women, Peace, Security & Humanitarian Action**
    - Support Member States and the UN System to implement commitments on WPS
    - Amplify women's role in humanitarian response
    - Mainstream a gender perspective in humanitarian response and disaster risk management
  - **Trust Fund Grant-Maker: Support civil society**
- UN Women staff have project management capacity and accountability for delivering results
  - UN Women Programme Management Policies, Procedures and Systems are enhanced
  - Support to the field through expertise and resources on the UNSDCF, CCAs, Gender Profiles, Joint Programs.
  - Support partnerships and UN Women's mandate through the provision of programmatic and political analysis
  - Support UN Women staff with tools for capacity and accountability for improved donor reporting.
- Global norms, policies and standards for gender equality are strengthened by the CSW
  - Strategies to integrate a gender perspective are developed by governments and other stakeholders for intergovernmental processes
  - The integration of a gender perspective is strengthened by thematic intergovernmental bodies in workstreams and outcomes
