UN-SWAP 2.0 PERFORMANCE BY INDICATOR (2019)

PERFORMANCE HIGHLIGHTS IN 2019

Most significant gains

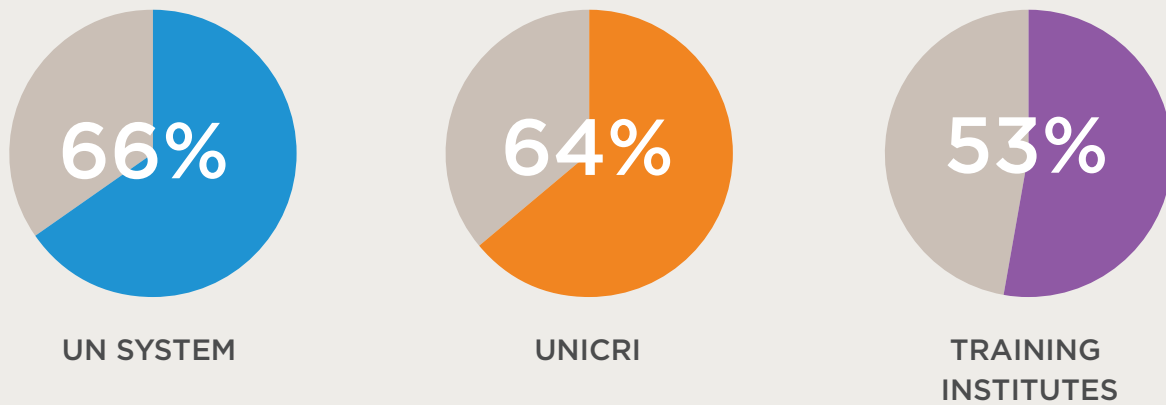

- In its first year of reporting on the UN-SWAP 2.0, UNICRI met or exceed the requirements for 7 indicators.
- In particular, we commend UNICRI for exceeding the Knowledge and Communication indicator by globally disseminating good practices and available tools to counter gender-based discrimination and violence.

Areas for improvement

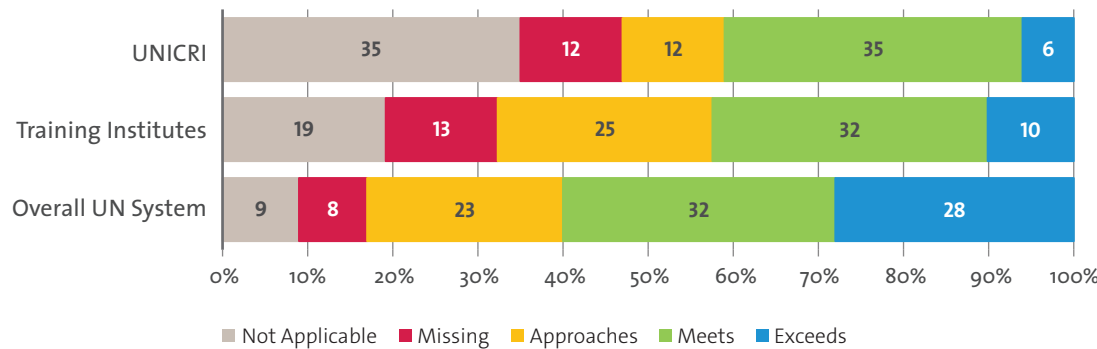

- UN Women encourages UNICRI to reconsider the applicability of the 6 indicators marked as not applicable.
- The Financial Resource Tracking and Allocation indicators are essential to support gender work, which cannot succeed without sufficient human and financial resources.
