UN-SWAP 2.0 PERFORMANCE BY INDICATOR (2018-2019)

PERFORMANCE HIGHLIGHTS IN 2019

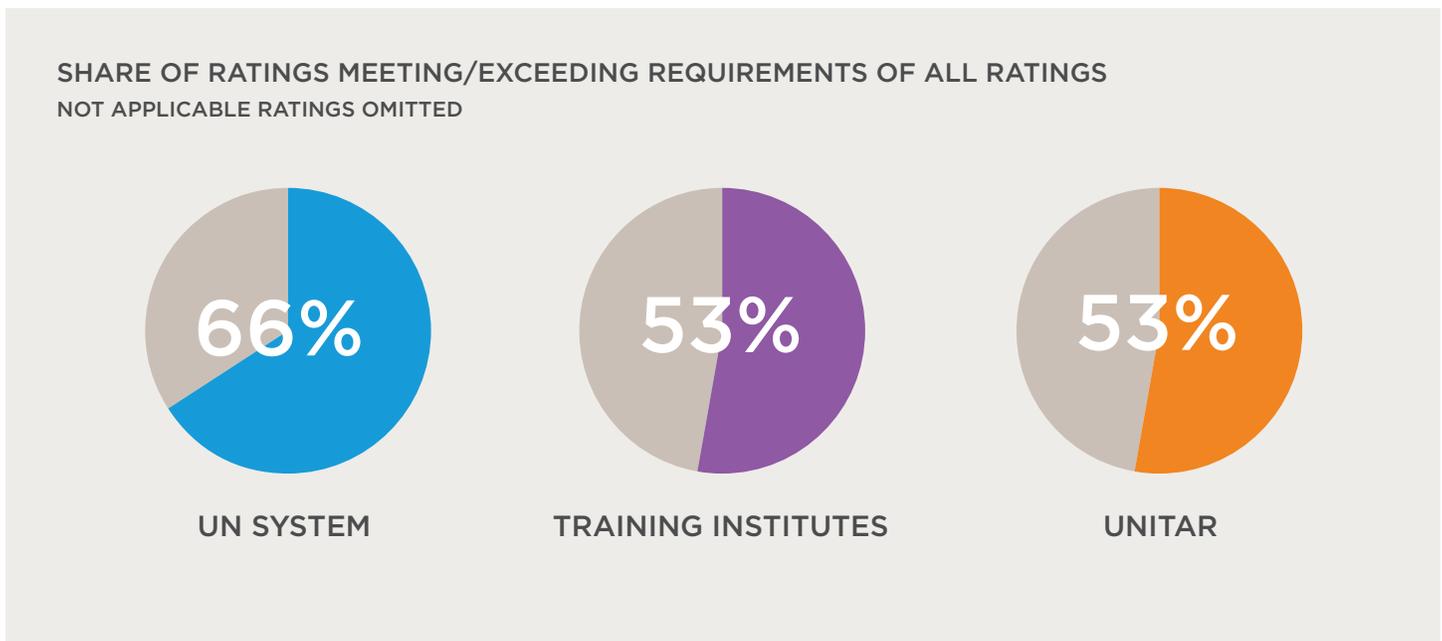

Most significant gains

- In 2019, UNITAR met requirements for Financial Resource Tracking, previously approaching requirements.
- UN Women commends UNITAR for maintaining strong performance in Policy, Leadership and Gender Architecture.

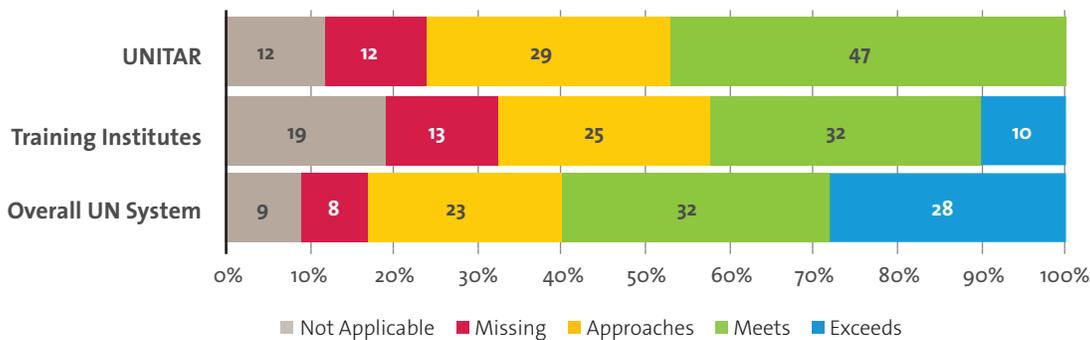

Areas for improvement

- UN Women encourages UNITAR to prioritize Financial Resource Allocation and the Equal Representation of Women, both of which missed requirements. Sustained financial resources and gender parity are essential criteria for achieving gender equality.
- Furthermore, UN Women recommends reconsidering the applicability of Programmatic Gender-Related SDG Results not Directly Captured in the Strategic Plan, which was previously rated as meeting requirements.
