**G. Alignment with the UN Trust Fund’s Strategic Plan and Outcome Areas:**

Please select only ONE of the three outcome areas below that best represents the PRIMARY focus and overall goal of the project proposed:

Outcome 1. Improved access for women and girls to essential, safe and adequate multi-sectoral services to end VAW/G

Outcome 2. Improved prevention of VAW/G through changes in behaviour, practices and attitudes

Outcome 3. Increased effectiveness of legislation, policies, national action plans and accountability systems to prevent and end VAW/G

**If you selected Outcome 3 (increasing effectiveness of legislation, etc.) please describe the specific law(s), policy(ies) or plan(s):** Include information on the specific national and/or local law(s), policy(ies) and action plan(s) and challenges to its implementation. Briefly describe how the proposed intervention will make a difference in the implementation. (maximum 250 words)

**III. Project description**

**A. Project Summary**

In three sentences each, please provide the following (maximum 300 words):

1) Justification (why): Justify your proposed project, referring to the evidences of gaps, issues and needs identified from previous initiatives, needs assessments, research and/or evaluations.

- 2) Results (what): Describe what results your proposed project is aiming to achieve.  
 3) Strategy (how): Describe the strategies that will be employed to achieve the intended results.

**B. Title**

**C. Duration**  2 years  3 years

**D. Project Start date\*** --/--/----  
 (day/month/year):

**Project End date:** --/--/----  
 (day/month/year)

**E. Total amount requested from the UN Trust Fund** (in US dollars)

**F. Total contribution from applicants\*\*** (in US dollars)

**G. Total project budget** (in US dollars)

**H. Implementing partners/participating agencies.** Please list all the implementing partners of the project, starting with the lead organization: (maximum 50 words)

\*The estimated start date cannot be before 01 February 2017 (01/02/2017)

Enter all amounts without any periods, commas, symbols or spaces. Please round up to the nearest dollar.

\*\*Matching funds/financial contributions are required for government applicants. Other applicants, wherever possible, are invited to indicate in-kind contributions (i.e. office space, staff, conference facilities, media outlets, supplies), or other contributions.

**I. Please specify the approximate amount of requested budget allocated to each of the following type of project intervention:**

Advocacy and/or awareness-raising campaigns:

Research, evidence gathering and/or data collection :

Other (all other budget allocations):

Enter amount without any periods, commas, symbols or spaces. Please round up to the nearest dollar. The sum of each of the categories selected should add up to the total amount requested from the UN Trust Fund (Section III, Question E).

Please pay close attention to the guidance and rules on applying for funding in each of these areas noted in the Call for Proposals document. While proposals heavily focusing on advocacy/awareness raising or research/data collection are NOT automatically excluded at concept note stage, these areas of work must be clearly justified below.

**J. The UN Trust Fund invites proposals in the following areas. Please indicate the category your application falls under: (select one)**

This proposal will contribute to one or more of the *UN Trust Fund's Strategic Results Areas*:

(a) Improving access for women and girls to essential, safe and adequate multi-sectoral services to end VAW/G;

(b) Improving prevention of VAW/G through changes in behaviour, practices and attitudes; and

(c) Increasing effectiveness of legislation, policies, national action plans and accountability systems to prevent and end VAW/G.

Please also check this box if the project specifically intends to address the intersection of HIV/AIDS and violence against women

This proposal responds to the *special funding window* on addressing violence against women and girls in the context of the current refugee crisis.

**K. Problem Analysis and Project Justification** (maximum 300 words)

Briefly describe the main problem the project aims to address including relevant statistical information on the nature, scope and scale of violence against women and/or girls in the targeted area. Describe why this project is needed: what gaps and/or challenges exist in current national and/or civil society efforts to tackle the problem that justify the need for the intervention?

**L. Project Results** (maximum 300 words)

Briefly describe the intended results in terms of the most significant change expected in the lives of women and girls by the end of the project period (two to three years). Also describe the positive changes in individual, community or institutional behaviours, policies or practices that will address and/or prevent violence against women and girls as a result of the project.

**M. Project Strategies and Theory of Change** (maximum 500 words)

Briefly describe how the project will achieve the expected results outlined above. Describe the project strategies and methodologies for influencing change and explain why these are expected to lead to the results proposed.

**N. Project Principles and Approach** (maximum 500 words)

Describe how you will apply a human-rights based approach to project design and implementation. How will the organization ensure that the rights of women and girls will be respected and ensure the safety of beneficiaries and partners involved in the project?

**O. Project Sustainability** (maximum 500 words)

How will project design and implementation ensure that results continue to have a lasting impact on the lives of women and girls after the project ends?

**P. Evidence:** How do you know that the proposed project is likely to work and achieve the expected results? Please select one category below, which best represents the evidence or rationale for the proposed project methodology:

**There is documented evidence (in the form of a published, reputable evaluation or research paper) that the proposed project methodology is likely to work in this or similar context** (maximum 300 words)

Please describe the evidence and provide references and links to the publications.

**There is some (but limited) documented evidence, that the proposed project methodology is likely to work but this is a promising approach based on evidence from other contexts** (maximum 300 words)

Please describe the evidence and provide references and links if possible. Describe why the organization believes this project approach will work (and/or can be replicated, scaled-up) in this context while managing the risks of limited evidence.

**There is no documented evidence, but this proposal is a unique opportunity to test a new approach or work in a new context or difficult environment** (maximum 300 words)

Please describe why there is no documented evidence (this can include limited capacity of local organizations to conduct research) and why this project is still a worthwhile investment for the UN Trust Fund.

**Q. Partnership and Stakeholder Strategy** (maximum 400 words)

Please describe any partners and stakeholders you need to work/engage with to achieve project results. What is your strategy for ensuring that partnerships operate well, that stakeholders are engaged and supportive and that beneficiaries are consulted?

---

## IV. Organizational capacity

**A. Technical expertise and experience in the field of ending violence against women and girls** (maximum 300 words)

Provide details of your organizational capacity and technical expertise in the field of ending violence against women and girls. Please provide at least one major achievement to which the organization contributed to the field in the last 10 years. If you do not have expertise in the field, please explain how your organization is suitable to manage the project proposed and how you will resource and secure the necessary expertise.

**B. Organizational capacity in project and financial management** (maximum 300 words)

Provide details of the number of staff with expertise in: (1) project management; (2) data collection, monitoring and evaluation; and (3) financial management and accounting. How will you ensure these functions meet the quality standards expected in managing UN Trust Fund grants?

For international NGOs, large organizations and Governments applying for funds, please also provide details of: (1) whether or not you have a dedicated team, unit or section dedicated to ending violence against women and girls and/or gender equality; and (2) the estimated number (and ratio) of full-term staff dedicated to ending violence against women and/or gender equality projects .

## V. Project Budget

Please see Annex 2\_2016 Concept Note Budget.
